3. CORE STATUTORY DOCTRINES & PRECEDENTIAL PYRAMID (핵심 법리 및 대법원 판례 체계)

3.1 Statutory Trinity: Commercial Code Arts. 732-2, 739, and 663

5. **Commercial Code Article 732-2 (상법 제 732 조의 2 - 중과실로 인한 보험사고의 보상)**: In any insurance contract where death is the insured event, the insurer is statutorily prohibited from claiming exemption even if the accident was caused by the gross negligence (*중대한 과실*) of the insured or policyholder. Insurer exemptions are restricted exclusively to willful intentional suicide (*고의*).
6. **Commercial Code Article 739 (상법 제 739 조 - 상해보험에의 준용규정)**: Provisions governing life insurance apply mutatis mutandis to accident insurance (*상해보험*). Article 732-2 applies in full force to all first-party personal accident coverages, including automobile Self-Physical Accident (자손), Auto Injury (자상), and University Group Accident policies.
7. **Commercial Code Article 663 (상법 제 663 조 - 보험계약자 등의 불이익변경금지원칙)**: Mandatory insurance provisions cannot be altered by special agreement or standard policy terms to the disadvantage of the policyholder, insured, or beneficiary. Standard clauses excluding unlicensed driving are **strictly null, void ab initio, and unenforceable**.

3.2 Binding Supreme Court Jurisprudence: Invalidation of Unlicensed Driving Exemption

8. **Supreme Court Decision 98Da48963 (Decided Dec. 22, 1998 — Landmark En Banc Ruling)**:

> *"The unlicensed driving exemption clause in automobile insurance special agreements, which excludes insurer liability for damages arising when the insured operates a vehicle without a license, is a clause exempting the insurer for gross negligence; therefore, **insofar as it applies to first-party self-physical accident coverage (자기신체사고), it violates Articles 732-2, 739, and 663 of the Commercial Code and is STRICTLY NULL AND VOID.**"*

9. **Supreme Court Decisions 97Da27039 (1998.04.24) & 98Da26910 (1998.10.27)**:

> *"First-party self-physical accident coverage possesses the **inherent legal character of personal accident insurance (인보험/상해보험)**. Therefore, mandatory Commercial Code rules apply, and the insurer cannot assert exemption from liability unless the accident was caused by the intentional suicide of the insured."*

3.3 Single-Vehicle Collision & Absolute Absence of Third-Party Offsets

- The crash on March 14, 2026, was an isolated **single-vehicle collision (단독사고)** with a roadside barrier.
- Third-party bodily injury liability (*대인배상*) and property damage liability (*대물배상*) under the Guarantee of Automobile Accident Compensation Act (*자배법*) are entirely inapplicable.
- Statutory third-party co-payments (*사고부담금*) or recourse deductions **do not exist**, and DB Insurance must pay 100% of the first-party death benefit.

3.4 Inherent Original Property Doctrine (상속인의 고유재산 법리)

- Under **Supreme Court Decisions 2003Da29463 & 2000Da31502**: Accidental death benefits payable to statutory heirs vest **directly and originally in the statutory heirs as their inherent original property (상속인의 고유재산)**. The proceeds are entirely immune from estate debts and payable directly to Belal Hossain (2/3) and Monoara Begum (1/3).

3.5 Non-Offsetting Dual Recovery Principle (정액보험 중복보상 원칙)

- Under **Commercial Code Art. 739**, personal accident death benefits represent fixed-sum insurance (*정액보험*). Accidental death proceeds under Seojeong University's group accident policy are recoverable concurrently with DB Insurance auto insurance payouts with zero offset or reduction.

3.6 Strict Non-Waiver & 10-Day Statutory Provisional Advance

- Under **Automobile Insurance Standard Terms Article 34(3)** and Commercial Code principles, when liability determination or claims investigation is delayed, the insurer is statutorily obligated to advance at least 50% of the estimated insurance benefit (**KRW 50,000,000**) upon request. The demand notices explicitly reserve all rights without waiver.

6.1 Direct SWIFT MT103 Wire Remittance Protocol

- Pursuant to **Clause 6 of the Special Power of Attorney (`04_bilingual_special_power_of_attorney.md`)**, **Section 4 of the Dispatch Package (`06_direct_filing_dispatch_package.md`)**, and **Section 8 of the Direct Notice (`09_direct_international_claim_and_10day_statutory_notice.md`)**, all proceeds recovered from DB Insurance Co., Ltd. and Seojeong University group underwriters **must be disbursed via direct international SWIFT MT103 wire transfer directly into the designated bank account of Attorney-in-Fact HASIBUL MUNIM (Mutual Trust Bank PLC, A/C: `1311004072276`, SWIFT: `MTBLBDDH`, Routing: `145261188`)**.

- Under Korean Civil Act Article 118, the Special POA expressly vests the Attorney-in-Fact with full receipt authority (*변제수령권*). Transfer of funds into this designated account constitutes complete performance and legal discharge of all liabilities for the paying insurers, whereupon the Attorney-in-Fact disburses the proceeds to the statutory heirs according to their legal shares (Father Belal Hossain 2/3, Mother Monoara Begum 1/3).

6.2 Anti-Commingling & Fiduciary Anti-Discount Safeguards

10. **Fiduciary Disbursement Duty (선관주의의무 및 분할정산):** Insurance proceeds received by the Attorney-in-Fact must be disbursed promptly to the statutory heirs according to their respective entitlement shares (2/3 and 1/3) after deducting verified official expenses and approved translation/administrative fees under Civil Act Art. 681.
11. **Strict Fiduciary Anti-Discount Safeguard (부당감액 금지):** Under Clause 5 of the Special POA, counsel and the Attorney-in-Fact are strictly prohibited from agreeing to any settlement discount exceeding 10% of the statutory claim value without prior written, notarized approval from both parents.

6.3 Korean Tax Clearance & FX Bank Approval Exemptions

- **Inheritance & Gift Tax Exemption:** Under the Korean Inheritance and Gift Tax Act, basic estate deductions (*기초공제*) of KRW 200,000,000 apply. Because the total recovered insurance funds (KRW 115M ~ 170M) fall below this threshold, **zero Korean inheritance tax is owed**.
- **Bank of Korea Approval Exemption:** Under Foreign Exchange Transactions Regulations Chapter 4, cross-border remittance of non-resident insurance proceeds requires only routine verification by a designated Korean foreign exchange bank (e.g., Hana Bank, Shinhan Bank) and is exempt from prior Bank of Korea or Ministry of Economy and Finance licensing.
